A few sessions for graduate students in doctoral programs are planned.

The deadline for submitting a paper (or an extended abstract with at least 300 words) is **January 31, 2009**. Please send your submission, preferably by e-mail with a subject "APEA09 submission", to either Professor Joshua Aizenman or Professor Shin-ichi Fukuda:

Organizing a Session

Economists are also welcome to organize sessions in the conference. The proposal should provide an explanation of the theme and all papers to be presented, including the e-mail and mailing addresses, affiliations, academic ranks, and phone and fax numbers of the organizer, session chair, presenters, and discussants.
